

VT Auto Controller

Built to Expand. Designed to Simplify.

The **VT Automatic Controller** delivers adaptable, intuitive, and connected control for automatic powder coating systems from one screen.

With features like a 7-inch HMI, password-protected user profiles, and support for up to 250 customizable recipes, the VT Automatic Controller is designed to simplify operations and support future growth.

7" Touchscreen HMI: Intuitive, centrally located control interface that updates all settings from one screen.

Customizable Recipes: Quickly switch between saved recipes and update all applicator settings with proper permissions.

User Based Permissions: Personalized user experiences based on specific job needs and functions.

OTHER FEATURES

User-Friendly Controls: Control all application parameters from one location. Manage up to ten encore automatic guns with venturi pumps, two oscillators, zone assignments, gun settings, and air fluidization.

Customizable Part Identification: Up to 10 Photo Eye Sensors or Direct Trigger Inputs can be used to turn on the applicator.

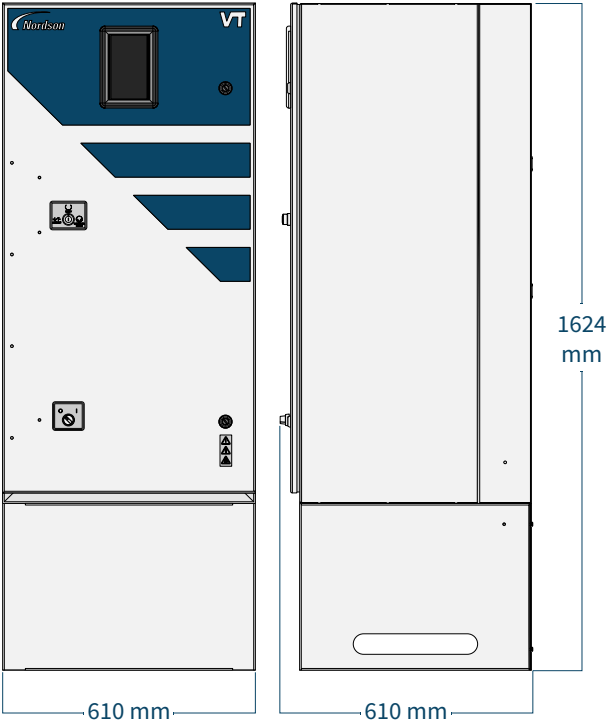

Embedded Help Content: Integrated trouble-shooting and educational content.

Activity Logs: See alarms and warnings filtered by date.

Scalable Software: Upgradeable software for future enhancements and added features.

Enhanced Security: Administrative permissions to prevent unintended or unauthorized process changes.

Powerful Processor: Fast, computational processing, allowing smooth graphics and seamless operation.

Part Number	Description
1627886	2-APPLICATOR, ENCORE VT AUTO
1628172	4-APPLICATOR, ENCORE VT AUTO
1627887	6-APPLICATOR, ENCORE VT AUTO
1628173	8-APPLICATOR, ENCORE VT AUTO
1627888	10-APPLICATOR, ENCORE VT AUTO

Supporting Kits & Part Numbers	Description
1628415	KIT,1-GUN UPGRADE, ENCORE VT AUTO CONT
1099281	VALVE, SOLENOID, 3 PORT,24V.,35W
1107597	REGULATOR, ELECTRO-PNEU HYBRID, 24VDC
1628399	KIT, SERVICE, HMI, ENCORE VT AUTO CONT
1628400	KIT, SERVICE, DEVICE CONT, ENCORE AUTO
1628401	KIT, SERVICE, SMART I/O PCA
