

# TrueBlue™ Preventative Maintenance

Minimize unplanned downtime, optimize operation, and increase packaging line efficiency

Our preventative maintenance program provides scheduled service to keep your Nordson packaging hot melt dispensing equipment in peak-performing condition.

## Cost-Efficient

Fair: One service, one price. No hidden costs. Labor, travel and expenses are included.

## Appointments

Flexible: maintenance appointments that work around your busy production schedule.

## Orders

Easy: Two order numbers for simplified ordering. With two choices for your convenience:

- TrueBlue Preventive Standard
- TrueBlue Preventive After Hours

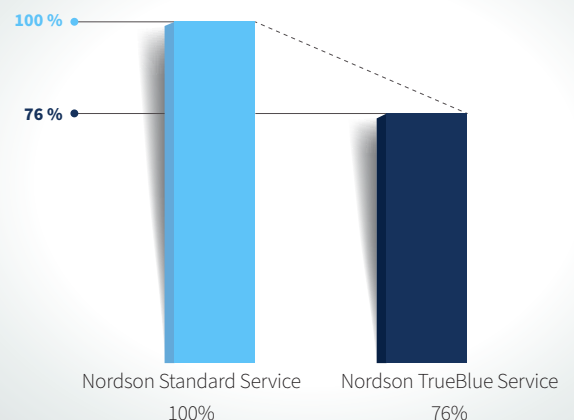

## Maximize Uptime and Confidence

With Genuine Parts and Expert Support

- ☑ Use of original Nordson parts ensures peak performance
- ☑ Receive a service report for your records.
- ☑ Additional parts or labor will be quoted and invoiced separately.
- ☑ On-site user support, including help with settings and refresher problem-solving techniques.

## Same Quality, Smarter Spend

Cut Costs up to 24% with Nordson TrueBlue Preventative Maintenance Service
