

## ASYMTEK DV-7000 Heli-Flow® Pump Spares List

A range of spare parts are available to support Nordson Electronics Solutions products, keeping them running at peak performance. Nearly all spare parts are sold as part of a spares kit, with a few exceptions.

### How to Locate and Order Spare Parts

If you are referring to the User Manual to complete a procedure, you can search for a *Kit Part Number* or an individual *Part Description* to identify the kit or individual part you need to complete the procedure.

If you have a *part number*, search the Lookup Part Number column in the tables below to identify whether the part is sold in a kit or as an individual part. You will find it in the Spares Kit List table if it's sold in a kit. You will find it in the Individual Part List table if it's sold as an individual part.

To locate a kit or individual part, do the following:

1. Download this file and open it in a browser such as Google Chrome.
2. Use your browser's search feature to search for a *Kit Part Number*, individual *Part Description*, or *part number*.
  - If the part is sold in a spares kit, refer to the corresponding columns in the Spares Kit List table for details about the kit. Use the **Kit Part Number** to order the kit.
  - If the part is sold individually, refer to the corresponding column in the Individual Part List table for details. Use the **Lookup Part Number** to order the part.
3. To request a quote, do the following:
  - Click [here](#).
  - Locate your region and click the **Email link**.  
A draft email addressed to the recipient you selected is displayed.
  - In the Subject field, type **New Request for Quote**.
  - In the body of the email, provide the following information:
    - The **Kit Part Number(s)** for the kit(s) you want to order. And the quantity of each kit.
    - The **Lookup Part Number(s)** for the individual part(s) you want to order. And the quantity of each part.
    - The Ship To information: **company name** and **complete shipping address**.
    - Your **name**, **phone number**, and **email address**.
  - Click **Send**.

## Spares Kit List

All parts listed in the following table are sold only within kits, not individually. The information in the Lookup Part Number column allows you to locate a part that you previously ordered separately but is now only available as part of a kit. The Quantity column shows the quantity you will receive for each part in a kit.
